Would you like to participate in the global event Fencing Mob 2015?

The first fencing mob took place in 2014 with the participation of innumerous countries, amongst others China, Italy, Norway, Great Britain, and Argentina. Denmark, however, will participate for the first time this year.

The Fencing Club "Trekanten" has initiated this year's event in Denmark, but we sincerely hope that fencers from as many clubs as possible want to participate so that we may all demonstrate how marvelous a sport fencing really is.

Where: Tivoli (all participants get entrance to Tivoli for free)

Meeting Time: September 6th, 12:30 PM, just outside the main entrance gate.

Subsequently we will go jointly to the changing rooms

Fencing mob begins: 1:00 PM and ends 10 minutes later

Equipment: Kindly remember to bring your own equipment. Should you not have any

equipment yourself, your club may provide you with what is needed **Sign up to:** Trekanten/Frances Fleur McCluskey: tuliacicero@gmail.com

The event is completed in only 10 minutes. The purpose is to show to the Danes what a noble and great art fencing is \odot

While we are fencing, photos and videos will be taken and posted immediately on Italian Fencing Federation's social media (Facebook, Twitter (#fencingmob) and Instagram).
