International epee training Camp in Denmark

Invitation

The Danish Fencing Federation, Hellerup Fencing Club, Fencing Club Trekanten and Jysk Akademisk Fencing Club invite to the International 4 days Training Camp for men's and women's epee from the 3rd to the 7th of November 2014 in Copenhagen, Denmark. As a part of the elite camp, there will also be an International Training Camp for fencers aged 15- 19.

The camp is placed between the two Danish World Cup Satellite tournaments on 1st and 2nd of November and 8th and 9th of November, in Aarhus and Copenhagen respectively. After the Copenhagen Satellite it will be possible to join the Hellerup Fencing Club trainings before the Tallinn World Cup.

The camp will consist of training sessions targeted the individual age groups and headed by the Danish national coach Ferenc Tòth. Other prominent fencing masters from other countries will be invited to participate and be put in charge of certain training sessions.

Practicalities

Transport to the camp and accommodation is at the fencers' own expense. If desired HFK and FKT will be helpful in trying to set up private accommodation. The cost of the camp will be decided later.
