Svenska Fäktförbundet and LUGI Fäktförening proudly invites all Nordic and international sabre fencers to the 2018 LUGI Sabeln with Nordic Championships in Sabre.

Program

The organizer's mission with NM2018 is to welcome the Nordic sabre fencing community and bring together as many fencers as possible, thus experience the volume difficult to obtain within each Nordic country alone. In addition to proclaiming the 2018 Nordic Champions, the tournament aims to ensure that fencers on all levels get as much fencing experience as possible.

Competition Classes

The competition will be organized in the following classes: U13 (2006 or younger), U15 (2004 or younger). Cadet U17 (2003 or younger), Junior U20 (2001 or younger Senior, Veteran and Teams. All classes except U13 (individual and team) and Cadet Team will be Nordic Championships. Minimum number of registered participants in a Nordic Championship category is six. Only teams composed of fencers from the same member federation of the Nordic Fencing Union can be Nordic Team champion.

We are especially welcoming female sabre fencers therefore we will make sure that all female fencers will have the possibility to start at least in an open class.
