Invitation for the Danish Fencing Federations Summercamp 2020

All fencers of at least 9 years, are invited to take part in DFF's fencing summercamp 2020

The camp will take place in Kalundborg during week 31 from Monday July 27th 12.00 to Saturday August 1st 13.00

Corona Disclaimer:

The Corona virus pandemic has kept Denmark locked down since March and for this reason the destiny of this years camp has been impossible to foretell. The disease is still out there and we still need to take precaustions and act responsibly today and when we arrive at the camp-week – week 31.

Can we, in week 31, legally and responsibly, have a fencing camp that in the past years has gathered more than 100 people?

That is the huge open question that has been drifting in the air for several months.

The answers can finally be given and in short, it is YES!

Therefore we can now finally present to you the official invitation to the camp, so you can sign up

It goes without saying that we will need to take precaustions that we need to figure out in the coming time, and for this reason some changes in the camps usual format must be expected. We of course hope that both fencers and parents respect and understand this ☺.

About the camp:

Despite the global situation we are hoping for the participation from both national and the international clubs, that we have seen the past years. It will be possible to participate on foil, epee or sabre. We will of course make sure that the program will be exciting and full of surprises, aimed at giving the participants a great experience both socially and of course with respect to developing their fencing skillset. We have had many great experiences working with foreign clubs from all over Europe and we hope and expect to do so this year as well!

Remember that we take pictures and videos during the camp and make an annual video that you can find in our closed facebookgroup:

Senior and HEMA fencing

The camp has traditionally been a children and youth camp but we are trying to expand it with tracks for senior fencers and for fencers practicing Historical Martial Arts. The senior track will embrace both high and low technical and physical levels, so both beginners and elite fencers will have the opportunity to develop and have a great camp.

Equipment repair class:

This year we will once again host a small workshop aimed at teaching the participants basic skills for restoring damaged equipment. If you are interested in taking part in this we recommend that you bring spare parts and damaged equipment to practice on.

Accomodation:

Danhostel Kalundborg - Stadion Allé 5, 4400 Kalundborg. Map available in this invitation or here; http://www.kalundborg-vandrerhjem.dk/?site=40

If you would like to arrive a day early (on Sunday July 26th) please contact us on dff@faegtning.dk to arrange this, at least one month before the camp. Then we will arrange accommodation for you and, you will be charged the extra expenses for this.

Requirements for equipment:

Of course especially this year, it is important that you bring all the equipment you need yourselves. We expect participants to bring electric equipment, and to bring reasonable amounts of spare equipment for themselves.

Requirements for 12+:

Mask 1600 N, jacket and trousers 800 N, underplastron.

For miniorer og puslinge:

Mask 350 N, jacket and trousers 350 N.

Trainers

We encourage clubs with participants to send trainers to accompany their fencers at the camp. This way we can make new acquaintances in the fencing community, and hopefully all learn from each other and grow in our role as trainers. Trainers from clubs with 4+ fencers will be allowed to participate at no cost for the entire camp. Please contact us if your club is interested in sending a trainer.

Registration:

The deadline for registration is Monday July 5th. It is in very short time so hurry and share the news with your club mates that you want to come also!

The registration is valid when we have received the filled in registration formula. We prefer payment up front if possible but can accept cash on arrival, see details below. Regardless of payment method, registration is binding and cancellation will result in a charge or retainment of a 65 Euro cancellation fee.
