

# Invitation for the Danish Fencing Federations Summercamp 2021

All fencers of at least 9 years, are invited to take part in  
DFF's fencing summercamp 2021

The camp will take place in Kalundborg during week 30 from  
Monday July 26<sup>th</sup> 12.00 to Saturday July 31<sup>st</sup> 13.00

## **Corona Disclaimer:**

The corona virus pandemic is still upon us in Denmark and the world. We expect the situation to be improved in the end of July where the camp takes place, in part because the the Danish vaccination programme is expected to be finished around that time, and in part because the season is working for us. We therefore have a clear expectation that we will be able to host the camp.

Nonetheless there will undoubtedly be mandated precautions and restrictions that we must arrange the camp according to, and for this reason it is reasonable to expect certain changes in the camps normal format. It is uncertain at the time how and to what extent the format will be affected. We gained experience last year with e.g. so-called family groups, and splitting and shifting the programme to spread out people, which may come into play this year as well. We can speculate that new strategies may also be employed as e.g. requirement to use face mask in some settings and the employment of corona-passports. We cannot say for sure at the moment but we will do everything we can to create the best possible camp-experience for you within the conditions we are working under. We hope of course, that fencers and parents can understand and respect this 😊. We look forward to seeing you!

With this follows the invitation that you need in order to register for the camp.

## **About the camp:**

Despite the global situation, we are counting on great participation from both national clubs and the international clubs, that we have seen the past years. It will be possible to participate on foil, epee or sabre. We will of course make sure that the program will be exciting and full of surprises, aimed at giving the participants a great experience both socially and of course with respect to developing their fencing skillset. We have had many great experiences working with foreign clubs from all over Europe and we hope to do the same this year as well!

Remember that we take pictures and videos during the camp and make an annual video that you can find in our closed facebookgroup:

## **Senior fencing**

The camp has traditionally been a children and youth camp but we are trying to expand it with a tracks for senior fencers. The senior track will embrace both high and low technical and physical levels, so both beginners and elite fencers will have the opportunity to develop and have a great camp.

## **Equipment repair class:**

This year we will once again host a small workshop aimed at teaching the participants basic skills for restoring damaged equipment. If you are interested in taking part in this, we recommend that you bring spare parts and damaged equipment to practice on.

## **Accommodation:**

Danhostel Kalundborg - Stadion Allé 5, 4400 Kalundborg. Map a map can be found later in this invitation.

If you would like to arrive a day early (on Sunday July 25<sup>th</sup>) please contact us on [dff@faegting.dk](mailto:dff@faegting.dk) to arrange this, at least one month before the camp. Then we will arrange accommodation for you and, you will be charged the extra expenses for this.

## **Requirements for equipment:**

Especially due to the present situation, it is important that you bring all the equipment you need yourselves. We expect you to bring electric equipment, and to bring reasonable amounts of spare equipment for themselves.

### For U12:

Mask 350 N, jacket and trousers 350 N.

## **Trainers**

We encourage clubs with participants to send trainers to accompany their fencers at the camp. This way we can make new acquaintances in the fencing community, and hopefully all learn from each other and grow in our role as trainers. Trainers from clubs with 4+ fencers will be allowed to participate at no cost for the entire camp. Please contact us to make an agreement, if your club is interested in sending a trainer.

## **Registration:**

The deadline for registration is Sunday June 20<sup>th</sup>. Remember to share the news with your club mates who you also want to come!

The registration is valid when we have received the filled in registration formula. We prefer payment up front if possible but can accept cash on arrival, see details below. Regardless of payment method, registration is binding and cancellation will result in a charge or retainment of a 70 Euro cancellation fee.

It is likely that some travel restrictions will be in effect this year, e.g. you may need to be tested or vaccinated to travel to Denmark. If the fencer is prevented from coming due to a corona infection, or due to circumstances related to the pandemic out of their control, we will grant a refund without cancellation fee.
